9 a.m. to 9 p.m.

Call 423-784-0095 for more information

Keep close to Nature's heart... and break clear away, once in awhile, and climb a mountain or spend a week in the woods. Wash your spirit clean.

-John Muir

BIG BUG BONANZA

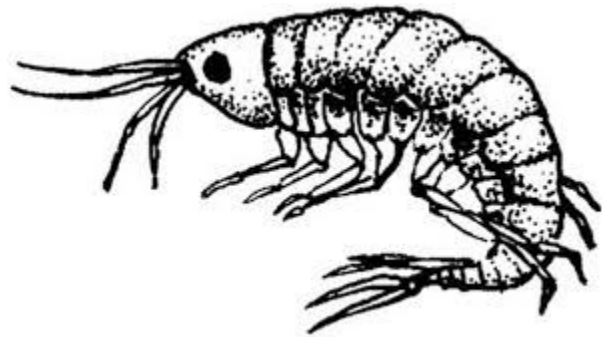

Want to learn how the bugs tell us about the health of a creek? Come spend the day with us at CCI. We will have a short explanation of the project and then spend a few hours in the creek learning about how to identify bugs.

Where: Clearfork Community Institute (old Eagan School)

When: July 29, 2019

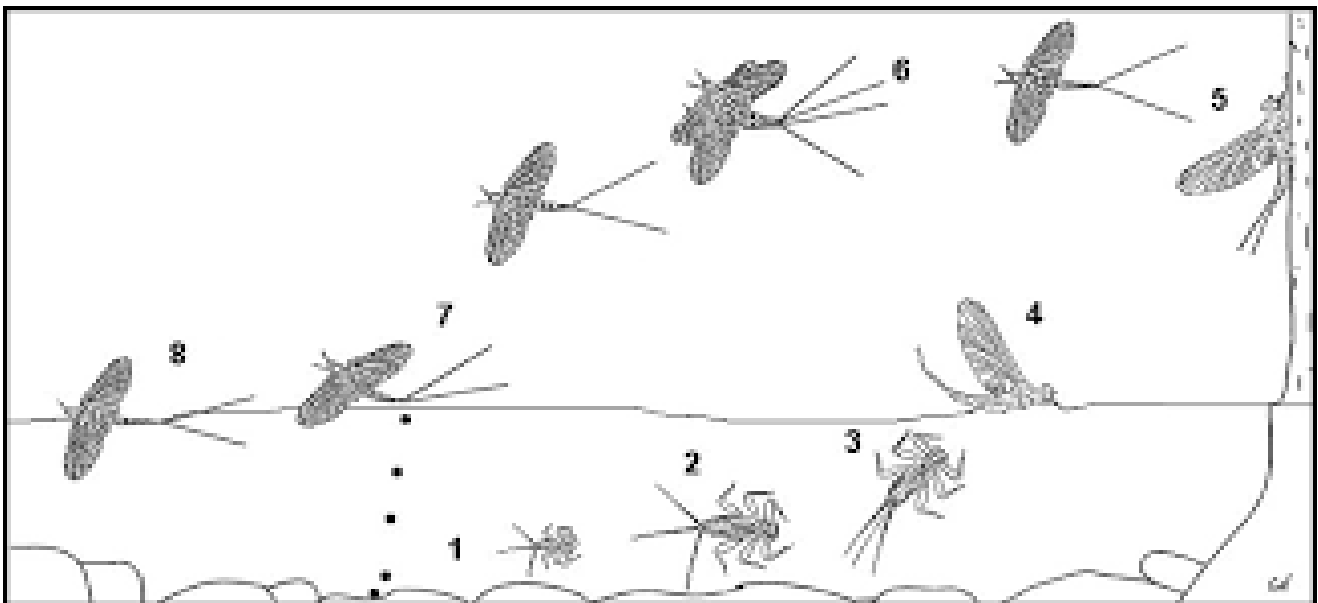

Time: 11:00 to 3:00

Cost: **FREE**

Lunch will be provided

All Ages Welcome

The life cycle of a Mayfly

New Bridge in Eagan

By DJ Coker

As many in the community know that the bridge crossing the Clearfork River to CCI is not up to state safety standards; and is falling apart. The state is in the process of totally remodeling the bridge; meaning that the bridge is going to be removed and re-built. A temporary bridge is being constructed to direct traffic during the demolition and rebuilding process. When asked how long the project will last TDOT (Tennessee Department of Transportation) responded: "The contractor (Potters South East) was given a Notice to Proceed on July 1st, 2019 and has one hundred twenty (120) days to complete the project. All work should be completed on or before October 28th, 2019." We hope that the new bridge is project that the community will see as a beacon of hope that the state and county are making some progress in improving the Clearfork Valley.

Obituaries

Our condolences go out to the families of

July 3, 2019

Linda Green, 56 of White Oak

June 16, 2019

Earl Huddleston, 84 of Clairfield
